CISV MINICAMP

*CISV, formerly Children's International Summer Villages, is a non-profit, non-denominational youth focused organization **promoting peace and understanding** through cross-cultural friendship.*

Using non-formal educating tools, the participants at CISV camps learn about peace and tolerance through experience, discussion and exchange. Throughout camp there is a balance of physical activity, thought-provoking discussion and simulations, and free time. Participants must be prepared to engage in discussion on a wide variety of topics.

CISV camp can, at times, be an intense experience, meaning some activities may bring out deep thoughts and emotions. For more information on CISV please visit www.cisv.ca.

A "Sign-in/Sign-out" policy is enforced. When you drop your child off at camp you must sign them in and when you leave you must sign your child out. If your child is arriving or departing other than at the scheduled times or if pickup is by someone other than a parent or guardian please indicate so in the appropriate section of the application form.

Most importantly, many volunteers have put a lot of hard work into this weekend in order to make it the best it can be. You can help us out by being cooperative, enthusiastic, and respectful and by SMILING!

If you have questions, or can volunteer as a part time chaperone or kitchen/meal prep help, contact: Mini-Camp director: Heather Sheehan at cisv.heather@gmail.com or (506)261-1056
